County Begins Road Work on Hawthorne

Construction work on Hawthorne Boulevard from Silver Spur Road to Indian Peak Road, Rolling Hills Estates, has been scheduled by the Los Angeles County Road Department.

Supervisor Burton W. Chace said the work will begin this week and will consist of paving the existing median strip.

Hawthorne Boulevard is a County Master Plan Highway. A recent traffic survey indicated that approximately 4,000 vehicles use this section of Hawthorne Boulevard daily.

Completion of the project will aid in weed abatement and erosion control as well as reduce present roadway maintenance costs, Chace said.

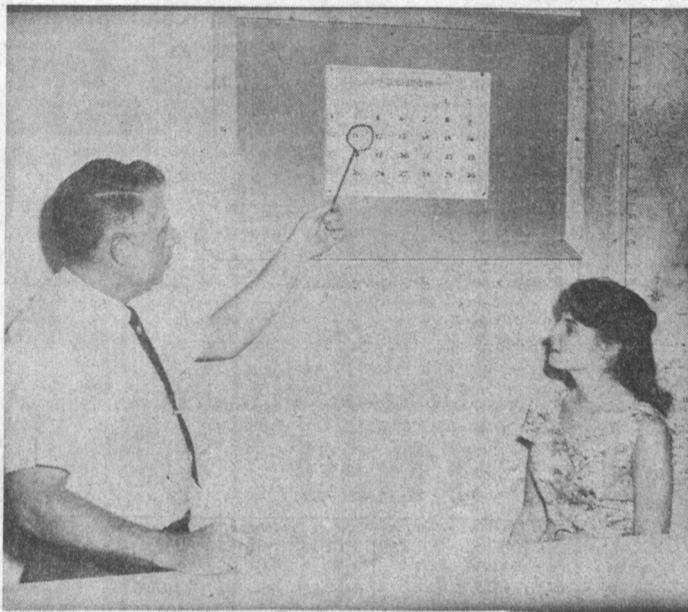

Medical Course Offered by Harbor Hospital in Fall

"General Pediatrics," a course for medical personnel, will be offered in Torrance this fall, at the Harbor General Hospital, by University of California Extension. Dates will be from September 14 through December 1, on Thursdays.

Such subjects as neurological disorders, orthopedic problems, abdominal surgery, pediatric ophthalmology and anesthesia will be discussed by a staff drawn from the Torrance Harbor General Hospital, the UCLA Medical Center, Orange County Hospital, Los Angeles County General Hospital, USC School of Medicine, Children's Hospital of Los Angeles and the Cedars of Lebanon Hospital.

Requests for additional information concerning this course should be made to Thomas H. Sternberg, Assistant Dean for Postgraduate Medical Education, UCLA Medical Center (GRanite 8-9711 or BRadshaw 2-8911, extension 7114), Los Angeles 24.

SEPTEMBER 11 will mark the opening of fall semester classes at El Camino College. Robert Poe, coordinator of student personnel, emphasizes the date to Miss Carolyn Weir

of the registration office, which urges potential students to seek appointments without delay. Enrollment will close September 1.

Allocate \$10,500 For Crenshaw Improvements

The Board of Supervisors this week allocated \$10,500 for a roadway improvement project on Crenshaw Blvd. from Indian Peak Road northeasterly about 0.4 mile in the Palos Verdes Peninsula area.

EXTENSION

Supervisor Burton W. Chace said the work will consist of extending the pavement to join recently constructed curb and gutter. Included in the project will be the capping of portions of the existing pavement to improve their cross-sections.

"This project exemplifies the high standard of cooperation between the County road department and local property owners who constructed the curb and gutter under permit," Chace said. Crenshaw Blvd. is a County

Seek Enrollment in ECC Choral Organization

With the announcement that the major choral works, "Gloria" and the "Ceremony of Carols" will be presented this fall, Crist L. Mikkelsen, director of the El Camino College Community Choir, invited local singers to enroll music classes for the coming semester.

Written by Vivaldi, "Gloria" stems from the rich Baroque period, while Benjamin Britten's "Carols" are from the contemporary period by a famed British composer. Enrollment assures vocalists of participation with the college Community Choir. The class rehearses on Tuesday evenings from 8 to 10 p.m. Music is furnished by the college.

Last year the group joined the a capella choir in the performance of the "Messiah" and also Mozart's "Requiem." Registration on the college campus continues today and tomorrow and throughout the coming week.

REVERSE

You are young my son and, as the years go by, time will change and even reverse many of your present opinions. Refrain therefore awhile from setting yourself up as a judge of the highest matters... Not one of them who took up in his youth with this opinion that there are no gods ever continued until old age faithful to his conviction. (about 428-348 B.C.) —Plato
